

9th January 2013

Dear Parents

As you know our pupils already have weekly Irish language classes in school. We have now received funding from the Department of Education to further support the promotion of the Irish language. The funding is a joint project with St. Olcans Primary.

As part of this project we will hold a course of evening classes in Barnish Primary school. This will be an Introduction/Refresher course for parents of both schools and members of the local community in conversational and written Irish. It will be informal and fun and a good way to meet up with other parents and learn some of what your children know.

Classes will begin on Monday 14th January and will run for 10 weeks from 7pm - 8.30pm. There is no charge for these classes.

If you wish to attend the class, please complete the reply slip below and return it to school by Monday 14th January.

Yours sincerely

Catherine Wisener-Clarke
